## ABOUT THE MARATHON

The Skate Marathon is one of the most dynamic and inclusive disciplines within the World Skate spectrum. Set against iconic urban backdrops, it is highly accessible to a broad segment of the skating community. Elite athletes elevate the excitement through tactical racing, endurance, and speed, while the discipline also stands out as a lifelong fitness sport, well suited to both children and adults.

## WORLD SKATE MARATHON TOUR

# THE TOUR

The World Skate Marathon Tour offers elite inline skaters, the world's top athletes, and local and international communities the opportunity to skate through some of the world's most scenic urban landscapes. The WSK Marathon seamlessly combines high-level sport with recreational participation, fostering a festive atmosphere and providing an ideal platform for complementary cultural activities that inspire younger generations. Its flexible scheduling allows for multiple event formats, further promoting inclusivity and broad community engagement.

# RACE FORMAT

The adaptability of the WSMT schedule offers different formats nurturing inclusion within the community.

## WORLD CLASS 42KM

It is aimed at high-performance athletes, serving as a key driver of media exposure, broadcast coverage, and commercial engagement.

## AMATEURS 42KM/10KM

Designed for everyday athletes, this format engages the widest segment of participants, with social media impact amplified by high participation levels and a strong passion for sport.

## KIDS 10KM

Inclusive formats will leverage the existing course while covering only shorter sections, making the event accessible to younger participants who are not yet able to complete the full 42 km distance.

## URBAN SPACE IMPROVEMENT

Hosting a WSMT stage activates and enhances public areas, often underutilized or in need of regeneration. Interventions may include surface upgrades, improved accessibility, and increased visibility of key urban zones. These improvements deliver lasting benefits to the urban fabric, creating inclusive and functional public spaces that continue to serve the local community well beyond the event.

## ROI FOR THE HOST CITY

Hosting the WSMT provides multiple benefits:

### COMMUNITY ENGAGEMENT

WSMT fosters direct community involvement by engaging local schools, sports clubs, institutions, and volunteers and build a stronger connection to both the event and their city.

### INTERNATIONAL POSITIONING

Being part of the WSMT global circuit enhances the city's profile on the international stage. It positions the host city as a forward-thinking, youth-friendly, and sustainable destination.

### SUSTAINABILITY

The WSMT acts as a catalyst for existing urban policies, aligning with city goals around sustainable mobility, youth empowerment, active lifestyles and public space regeneration.

### ENVIRONMENT IMPACT

The WSMT promotes environmentally responsible event management by recommending the use of reusable and recyclable materials for staff, athletes and spectators.

# WORLD SKATE RESPONSIBILITIES

The Organizing Fee to host a WSMT includes cost items covered by World Skate, including - but not limited to:

- Prize money per stage & per tour
- ITOs
- Athlete registration platform services
- Live streaming on WSK TV
- Social Media content production
- Visual identity
- Trophies for Pro and Futures per stage & per tour
- Comms and sport presentation
- Tv commentator
- Awards and Skinsuits jerseys
- Technical delegate

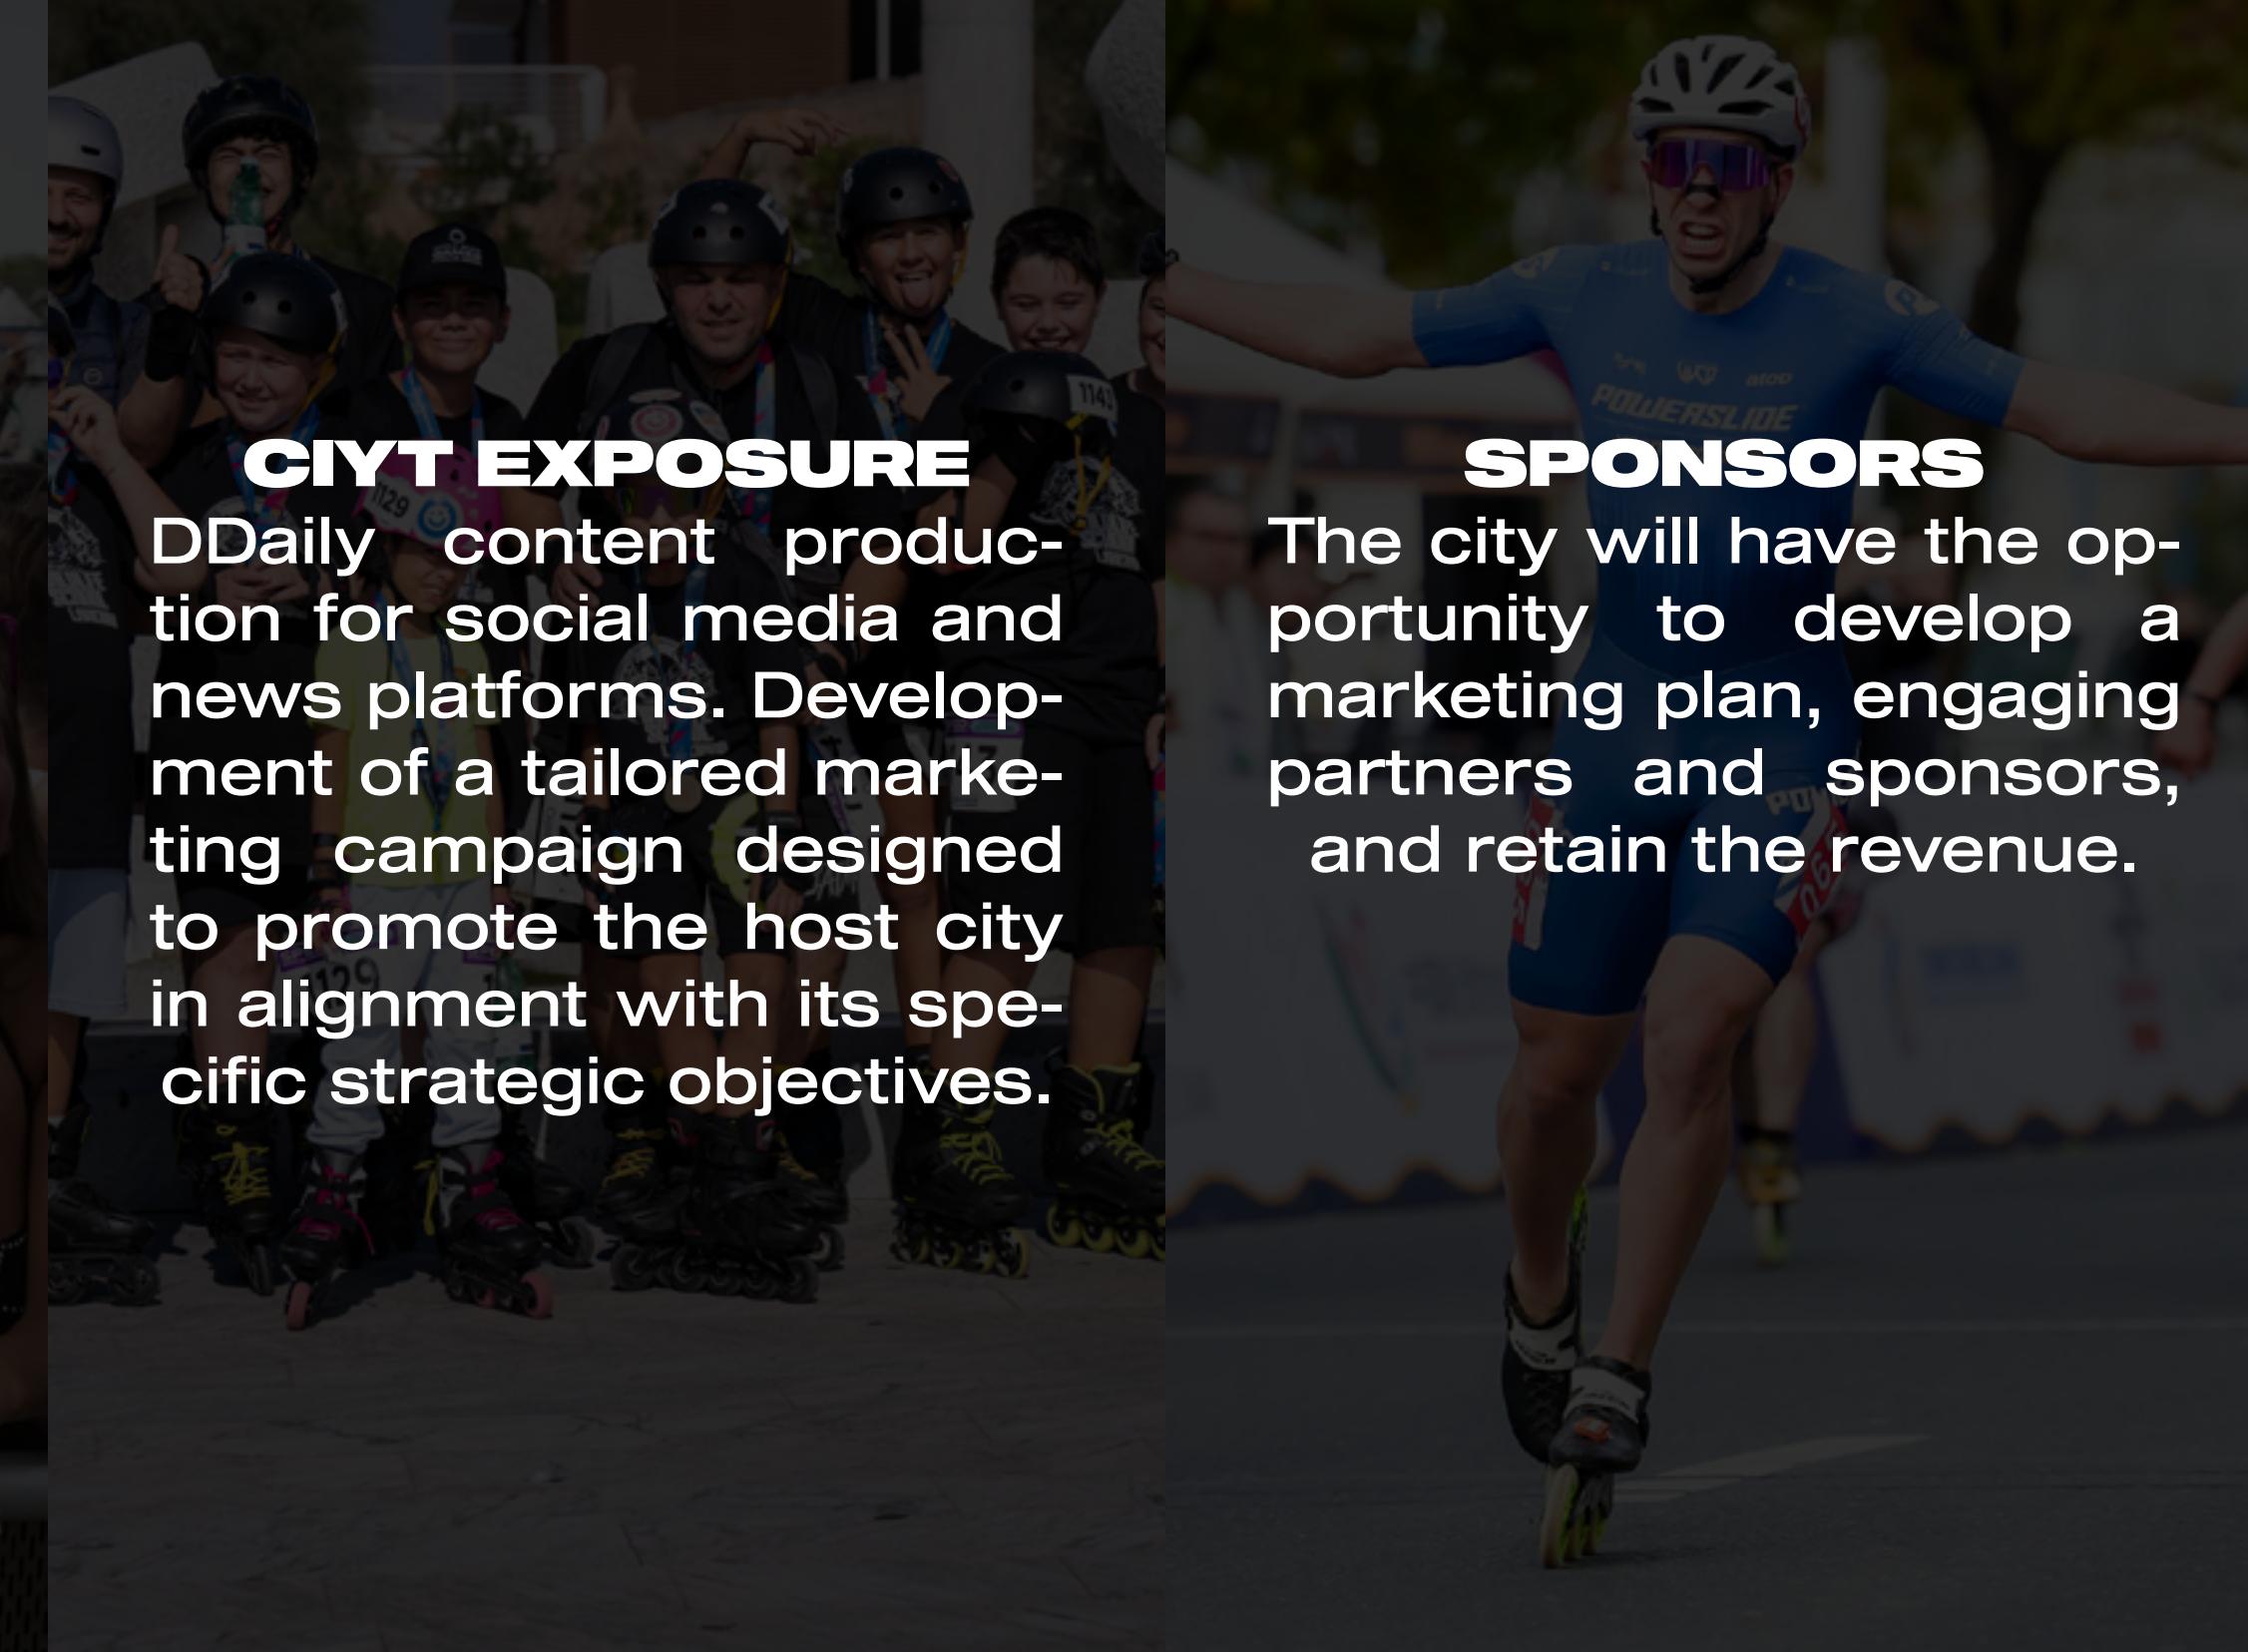

# TO STAGE A STOP

## **SIDE EVENTS**

By hosting a WSMT stop, the host city has the opportunity to organize complementary side events alongside the marathon. These may include food trucks, live music, commercial areas, and additional amenities designed to enhance the experience for fans, athletes, and amateur participants.

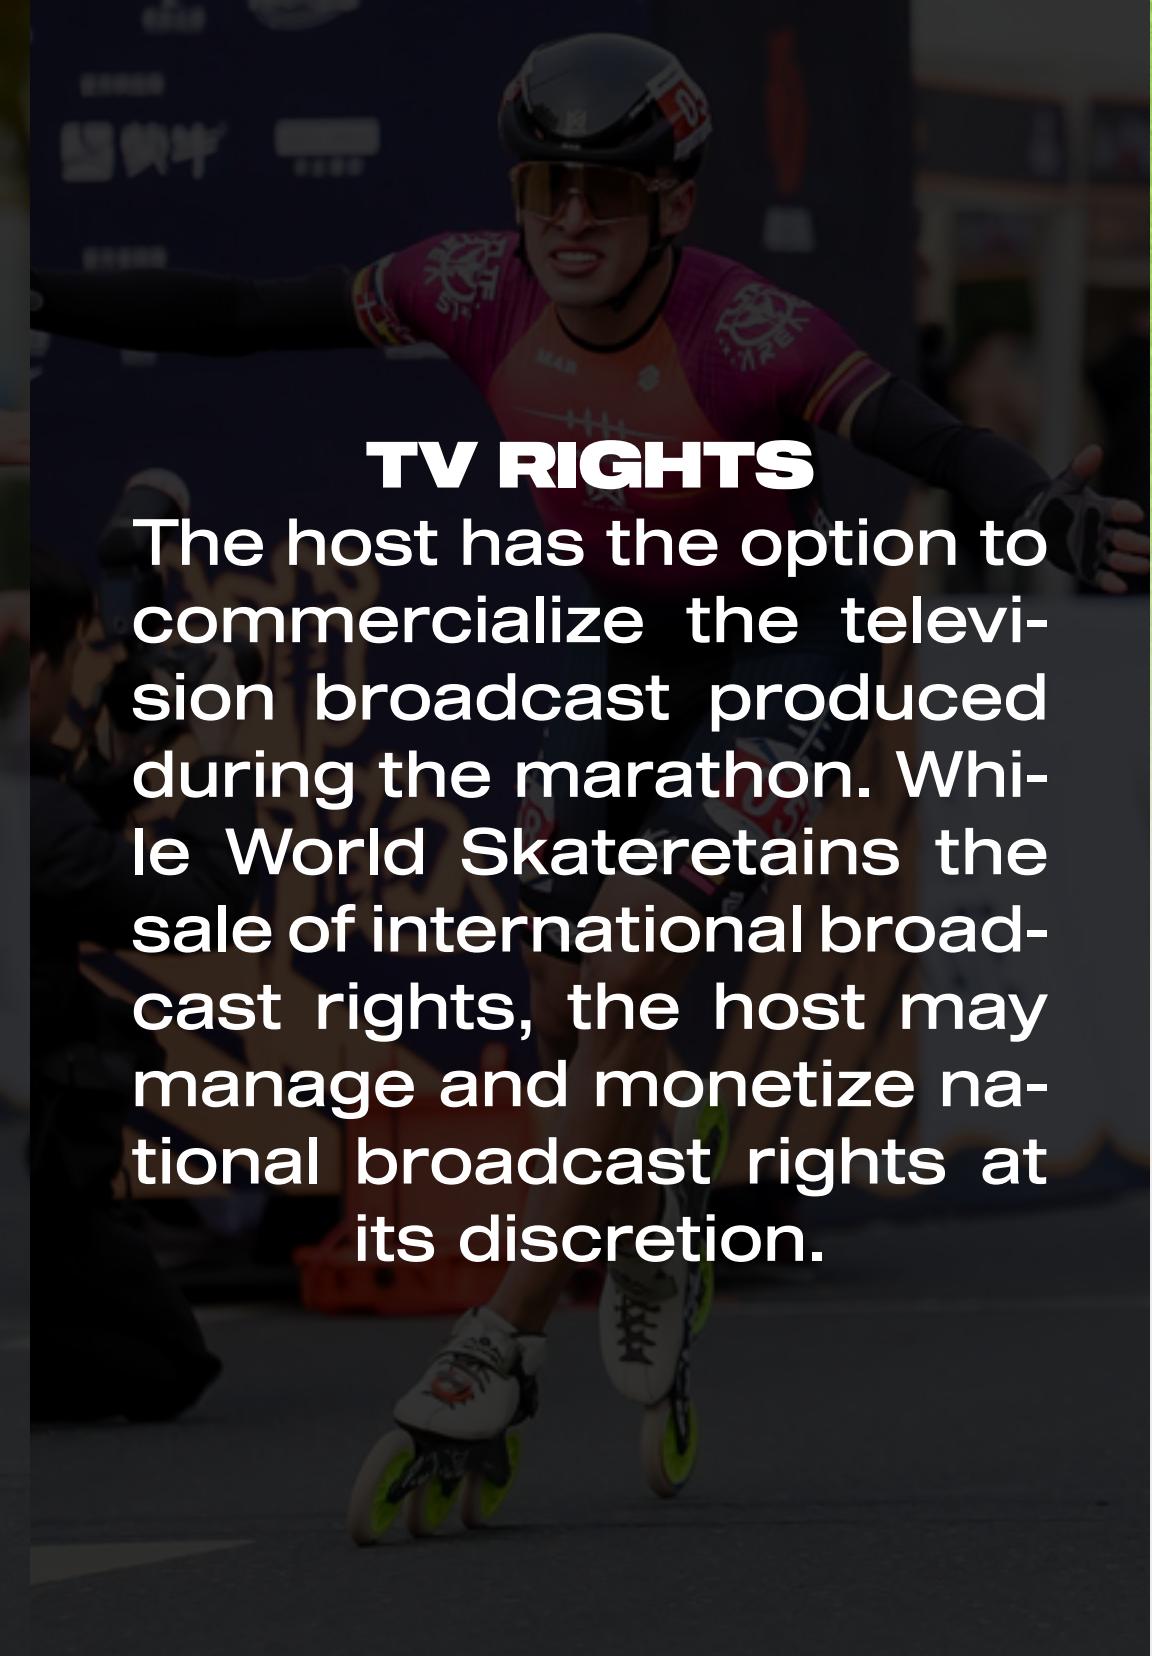

## **CITY EXPOSURE**

Daily content production for social media and news platforms. Development of a tailored marketing campaign designed to promote the host city in alignment with its specific strategic objectives.

## **SPONSORS**

The city will have the opportunity to develop a marketing plan, engaging partners and sponsors, and retain the revenue.

## **TV RIGHTS**

The host has the option to commercialize the television broadcast produced during the marathon. While World Skate retains the sale of international broadcast rights, the host may manage and monetize national broadcast rights at its discretion.
