20	143	BADILLO Arturo	MEX		1:39.980	15	

Order follows the World Skate time-trial format: the furthest session a rider reached, then their time in that session. **Bold** is the classifying time; the small figure is the rank within that session. **Pre-seeded** riders went straight to Q2 (5 in this field) and did not run Q1. **DNS** did not start.
