## QUALIFICATION SYSTEM

---

The Qualification System has been amended as a result of COVID-19's global impact on Season 2 and the Tokyo 2020 Olympics.

The QS was updated as follows:

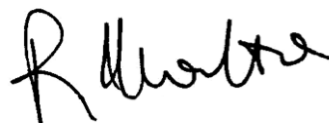

- The end of the **Season 2** has been extended through **29 June 2021**.
- The **4 highest scores** from Season 2 combined with the two highest scores from Season 1 will establish an athletes' final position in the OSWR.
- **National Championships:** the OWSR update will be issued quarterly starting from the 1st of January 2021.
- **Continental Championships:** the OWSR update will be issued only when the last of the 5 continental championships have been held and within 72 hours from completion of the final event.
