QUALIFICATION SYSTEM

Dear Friends,

Following the approval of the IOC Executive Board, an updated version of the Skateboarding Olympic Qualification Rules has been released to the NOC extranet and uploaded to the World Skate official website. The qualification rules updated have been designed to adapt to the scenario imposed by the COVID-19 pandemic and include, among others, the following new provisions:

- The best 3 results will be counted for each skater in season 2
- New OWSR tie-breaking rules
- Contingency reallocation of World Championships direct qualification quota
- International events sanctioning criteria based on athlete's participation
- Exclusion of Continental Championships from the OWSR

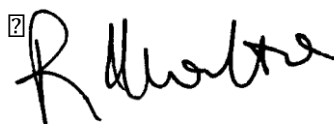

You can download the updated Qualification Rules by clicking [here](#).

Thank you,

Best Regards,
