16. Athlete Participation Fees

- Each Athlete shall pay a registration fee of 100 US \$ for the participation at the Track Series World Final.

17. Track Series World Final International Ranking

- 17.1. For the Track Series World Final, the rankings are calculated by points.
- 17.2. Separate rankings per gender and race type (short distance and long distance races) will be prepared after each event.
- 17.3. A skater may participate in short and long distance races (there is no Clubs' ranking).
- 17.4. Points will be assigned as follows: 30 points to the 1st skater, 29 points to the 2nd one, 28 points to the 3rd one, and up to 15th place 26 / 24 / 22 / 20 / 18 / 16 / 14 / 12 / 10 / 8 / 6 / 4; 2 points to all the other ranked skaters.
- 17.5. If skaters have the same amount of points in the stage ranking, the winner will be one having the better position/ranking in the last distance.
- 17.6. Disqualified skaters for sports or disciplinary faults (DQ-SF / DQ-DF) do not receive any point.

18. Race course

The tracks must meet all the specifications contained in the Speed General Rulebook for its homologation and have the official Certification from the World Skate Facilities Department.

19. Heats composition

The initial race heats are formed based on the combined rankings of each Continent and the serpentine system. Skaters are seeded according to their qualification placement (primary criterion) and their continent's highest overall ranking from the previous World Championships (secondary criterion).

20. Start line order

20.1. In the first round, the starting line order is determined by the skater's rankings in the Continental Track Series qualification, with the highest-ranked skater placed first, followed by the second, third, and so on. The second criterion is the best overall ranking from the previous World Championship by continent.

20.2. The results of the rounds

In Short Distance races, heats are formed based on the results of the previous round. The winners of the previous round are designated as the heads of their respective heats. Skaters are then called in order and select their starting position.

20.3. The results of the qualification heats

In Long Distance races, after the qualification heats, the winners of each heat are placed in the first positions on the starting line, followed by the second-place finishers, and so on. The assigned starting positions are final, and skaters cannot choose their position.

21. Fair play

Fair play means respect. Fair play means respecting the opponent, the judge, the rules, and also complying with the spirit of the sport; it is competing fairly above the ambition of victory; practice fair play, without cheating, tricks or simulations to confuse the opponent or the judge; not offend, humiliate or mistreat any participant in the competition; assume defeat with dignity and enjoy victory with respect.

All the skaters must take part in races fairly and enthusiastically. Those showing a negative attitude or clear inability may be excluded from the competition or the race can be canceled.

22. Official Track

Official tracks certified by the World Skate Facilities Department.
