## SKATEBOARDING DOWNHILL AND STREET LUGE

---

Dear friends, World Skate is proud to announce the Skateboarding Downhill and Street Luge World Championships 2019, to be held in Barcelona, Spain.

We are aware that for many of our National Federations, Skateboarding Downhill is a new discipline.

World Skate is available to support you in the process of identifying and connect with existing athletes from your country, that might be already active and successful at world class independent events.

Please get in contact with the World Skate responsible of these disciplines, Mr Federico Barboni at: [federico.barboni@worldskate.org](mailto:federico.barboni@worldskate.org) to gather further information.

This will be the first World Skate-sanctioned Championships of Skateboarding Downhill and Street Luge.

Make sure to mark your calendars and get ready, we look forward to seeing you in Barcelona!
