TWO-STAGE SKATE RACE

#### d) Details

P2P Skate Race is known as the speed skating sports event held between the towns of Zubiri-Pamplona- Puente La Reina, Navarra, Spain.

Participants from 18 different countries attended last year.

The Navarrese skating is overturned with the international event **Zubiri - Pamplona - Puente la Reina**. Thanks to the more than 200 volunteers who with their work make P2P possible. Doctors, motorcycles, managers of crosses, security, photographers, cameras, assistants of organization and logistics, support to skaters in victualling and many others.

**P2p skate race**, is composed of two stages, a half marathon on Saturday afternoon and a marathon on Sunday morning known worldwide as the world's toughest skating race.

Both stages stand out worldwide for passing through beautiful landscapes of our environment

Participants can participate in one or both of them, competing for large financial prizes with a total value of 6,900€.
