From 28th September
Through 8th October

Bulletin N°6

Date 13th July 2016

ARTISTIC TECHNICAL COMMITTEE

artistic@rollersports.org

www.rollersports.org

Dear All

This is to give you information on the above World Championships – the provisional programme you already have, and we will send a further programme out after the closing date for entries. I confirm again, that the days of the events will not change, but the timings may, depending on entries, **which must be with me, by the end of August at the very latest.**

As you all know the website for accommodation, transport, visas, etc is www.novara2016.com.

And for any additional requests the contact is novara2016@thekeygroup.eu

TICKET SALES

Tickets for the Championships are selling quickly, and it is important that you book a ticket for the whole Championships, as the last two days will be fully booked and anyone trying to book tickets for these days may find it impossible.

The cost of tickets for the extra coaches who register with the FIRS Artistic Technical Committee during accreditation will be 180 US\$ or 160 euros, and these can be purchased via the FIRS ATC office during the first days of registration.

TECHNICAL MEETING

The technical meeting of Nations will be held on Thursday 6 October at 10am, and any items for the Agenda should be sent to me by the end of August please.

ELECTION OF ATHLETES REPRESENTATIVE

This is the year of election for our Athletes representative, and this meeting will be held on Tuesday 4 October between 10 – 12 noon. Nominations to be handed into the Chairman in the FIRS ATC Office by Monday 3 October.

**INTERNATIONAL OFFICIALS REGISTRATION FOR 2017(JUDGES –
CALCULATORS)**

This year the FIRS ATC have had many problems registering Officials for the 2016 season, and some have judged before payment has been made to FIRS.

Therefore, due to problems of payment, particularly with the South American countries, who have found it difficult to raise a bank draft, it has been decided to collect the money from those countries, for their Officials on the International list, and this will be due during the World Championships in Novara and therefore they will be registered for 1 January 2017.

The rule is that all payments for Officials, have to be made by the end of January, otherwise a penalty will be levied – this has not been done this year, but for 2017 it has to be, as Officials will not be able to Judge International events before payment has been made.

Look forward to meeting you all in Novara

Kind regards

MARGARET BROOKS
Chairman – FIRS Artistic

ROBERTO MAROTTA
FIRS Secretary General
