Festival entry is free for all competing athletes and the entry credential will be sent to each athlete, via the email address used on Infinity, directly from FISE/Hurricane. This allows access to the event, after which all athletes must collect their Competition credential at the accreditation office in order to access the Field(s) of Play.

If athletes have not yet received their festival credential, including in their spam inbox, please contact [sports@hurricane-agency.com](mailto:sports@hurricane-agency.com).

Only athletes receive free access to the festival. All other parties must purchase a ticket from the [FISE website](#).

On Tuesday 7th May, only athletes and eligible companions will be allowed to enter the festival for the practice sessions. From Wednesday 8th May until Sunday 12th, the event is open to all other parties and the public, who will require a valid festival pass to enter.

## COMPANION FOR UNDER 18s

A maximum of one companion will be allocated per athlete under 18 years of age, and must check in at the above location at the same time as the athlete they are accompanying in order to receive their accreditation.

Companions do not receive free festival access and must purchase a ticket to first enter the event.
