## REGISTRATION PROCESS

---

The registration process for the 2022 World Skate Games will begin on August 18th 2022.

The first release will feature 5 sports (Artistic Skating, Inline Speed Skating, Roller Freestyle, Scootering and Skateboarding). Further sports will be released in accordance to the dates included in the attached annex.

## SPORTS REGISTRATION PLATFORM

---

All sports and disciplines are now available in the system, so National Federations should ask all of their members (NTOs and Athletes) to sign up and create a complete profile in view of the World Skate Games Argentina 2022. We remind you that the registration to Infinity is mandatory for all participants.

Each single user must create his/her own profile, include all the required documents and complete the procedure, before getting approved by their National Federation and eventually be registered for the event.

Mandatory documents and information for Athletes and National Team Officials (NTOs) registration:

- Passport copy
- Headshot (passport style, light background, no black and white, “no picture of a picture” etc.).

WE REMIND YOU THAT THE PICTURE YOU UPLOAD ON INFINITY WILL BE USED FOR SCORING SYSTEMS, BROADCASTING, RESULTS AND ACCREDITATION CARDS; THEREFORE, WE KINDLY ASK YOU TO CHANGE IT ACCORDINGLY.

- Valid Anti-Doping Training Course Certificate. We are currently accepting those issued by WADA, ITSA, National Anti-Doping Agencies and World Skate from 2020, 2021 and 2022.
- Sports and specific information for athletes (if required).

Single Users can sign up in the system from the following link: <https://infinity.worldskate.org/sign-up> or through the World Skate Infinity app (available on [Play Store \(Android\)](#) and [App Store \(iOS\)](#)).

Here's a video showing the correct path for new users: <https://youtu.be/fMXobMXjR1E>. This video is just an example and shows the registration process for the National Team Officials; each user must follow the same procedure selecting her/his respective role.

Please make sure to indicate your role within your National Federation when applicable.

*E.g.* A permanent staff member of a Federation or an official Coach should select “National Team Official”, indicate their role and be accepted by their Federation of belonging. Should you not find a specific role describing your task, click on “Other”.

Those not having a permanent role within their entity of belonging, should select “Other” as a general category within the main page.

The following video shows the procedure for updating the profile for already registered users: <https://youtu.be/FmrybFCFazE>.

We remind you that your Entity of belonging will have to confirm your job title/role.

For the World Skate Games we have added a new Country Quota for each National Federation called “NF Management”, you can find it on the left side of the menu within the Event's page. This quota is not tied to a specific Sport and represents the core Team of each NF and will be accredited with an “ALL VENUES” access. Each NF can register the following 5 management members for the event:

- President
- Secretary General
- Chef de Mission
- 2 Staff Members

Please click [here](#) to download a recap scheme outlining the registration start and end dates, the Country Quota for both Athletes and NTOs and the fees amount.

Exceptions for pre-seeded athletes (when applicable), will be communicated at a later stage.

## INLINE HOCKEY AND RINK HOCKEY

---

As you know, we are collecting the participation confirmation of each Team for both Rink and Inline Hockey through the following form <https://forms.gle/iwtDbnD4D8FE4YZh9>. The deadline to complete the form is set for August 31st, 2022.

After having completed the form, each NF must process the payment of the Registration fees for its Teams through a Bank transfer.

Each National Federation will need to process the team registration (“long list”) through the World Skate Infinity System, following the deadlines provided in the table above.

After the “long list” (6-14 players including 2-3 goalkeepers for Rink Hockey and 6-23 players including 2-3 goalkeepers for Inline Hockey) registration deadline has expired, each National Federation will need to process the so called “roster reduction” and confirm the final roster (always through the World Skate Infinity System”); 3-10 players including 3 goalkeepers for Rink Hockey and 6-14 players including 2 goalkeepers for Inline Hockey, according to the following timetable:

- |                               |                    |
|-------------------------------|--------------------|
| ● Rink Hockey Senior Men      | October 14th, 2022 |
| ● Rink Hockey Senior Women    | October 14th, 2022 |
| ● Rink Hockey U19 Men         | October 14th, 2022 |
| ● Inline Hockey Senior Ladies | October 17th, 2022 |
| ● Inline Hockey Senior Men    | October 25th, 2022 |
| ● Inline Hockey Junior Ladies | October 25th, 2022 |
| ● Inline Hockey Junior Men    | October 17th, 2022 |

Given that the payment for Team Sports is required to be processed well in advance through Bank Transfer, you will have to choose Bank Transfer as a payment method in Infinity during registration and we will confirm them (if that is the case).

## PAYMENT

---

The online payment functionality is available on Infinity both in the web version and in the App.

The payment can be made online with credit/debit card or by Bank Transfer. All major credit and debit card circuits are accepted.

Before the payment step, each NF Admin will need to confirm:

- The athletes that will pay for their registration fee individually
- The athletes for whom the National Federation will pay the registration fee

After you have finalized the above-mentioned step, click on “Pay” and select the payment method (credit/debit card or Bank Transfer):

- credit/debit card → fill in your credit/debit card details and process the payment;
- Bank Transfer → download the bank details, process the wire transfer and confirm the payment (once World Skate will have received and confirmed the payment, your payment status will be approved).

Should you need an invoice, please send an e-mail to [administration@worldskate.org](mailto:administration@worldskate.org).
